IB Physics SL (Year Two): Electric Force Quiz (6.2.1-6.2.4) – Corrections

Directions: For each problem that you answered incorrectly, provide the correct work/calculations in the “Corrections” column then in words state what mistakes you made originally and how you resolved them. Credit will only be given for those problems that have complete corrections and justifications. Attach original quiz to this document and submit by Thursday, August 28, 2014 at 8:45 am to Ms. Grant.

| Problem | Points Received | Corrections | Justification |
|---------|-----------------|-------------|---------------|
| 1. a) | _____/3 | | |
| 1. b) | _____/2 | | |
| 2 | _____/7 | | |
